## The company

S.B.Rashid & Co. was established in the year 1974. We started our company with the joint collaboration with S.B.R PVT LTD which is one of the oldest Indent houses of Pakistan. In the year 1993, we changed our company image and move to the stationery sector, where we have taken a distribution from Viker Industry of TOYO in Pakistan 1995-2000, it was a brand of school & office stationery. In the year 1998, we started to import our own stationery items by the year 2010, we have specialized in the adhesive tapes & adhesive solutions. In the year 2016, we have expanded our self in the field of tools as. In this we have also started our online sales & services all over Pakistan.

We are working to achieve our goals. We are dealing in all kinds of adhesive tapes, solutions & tools. We represent our brand LORD, TWENTY TWENTY, CANTON, SELSIL, LICOTA, not only these brands we also deal in international brands 3M, TESSA, ABRO. We Import, Slit, Wholesales, Distribute our products across Pakistan.

We are providing high-quality services. We have a dedicated and professional team members that serve our customers across Pakistan at its best. We make sure of our associated with customer satisfaction, reliability of supply and maintained quality. If given a chance, we can offer free sampling of our products and on-site display of quality to prove our worth.
